

A. Read and answer

Dear friend,

Hi, my name is Kylian Mbappé and I am a professional football player. I'm nineteen years old, and I live in Paris, France. I play in the Paris Saint German football team and I also play with the national team of France. On weekdays, I get up at 6 o'clock to go to train. The training starts at 7:30 in the morning. I

have my lunch at the club cafeteria and I usually go home around 3:30 in the afternoon. I also like studying and I'm very good at maths and geography. My favourite sports are football, tennis and hockey but I don't like basquet because I'm too short. On the weekends, I go to the movie theater with my girlfriend. We like action movies. I usually go to the beach with my friends on the summer holidays.

Please write and tell me about you and your life. What's your family like? What do you like doing in your spare time?

I hope to hear from you soon.

Best wishes,

Kylian Mbappé
