Dear Annie,

I got your address through my teacher. I love writing letters and I'm happy to be your penpal. I'm sending you a photo for you to see what I look like.

I'm twelve years old. I live with my parents and my sister and brother. My sister's called Rebecca. She's four years old. My brother, Christopher, is ten. My mother is a cook in a restaurant and my father works at home.

I live near a town called Croydon. Croydon's a part of London. It's got lots of shops. I love going shopping with my friends at weekends.

I go to Passmore High School. All my friends go there too. My favourite subject is cooking. Next year I want to start Spanish.

In my free time I like reading magazines and playing computer games. I love watching TV too.

Please write soon and tell me about yourself. Send me a photo too.

Lots of love,

Lizzie
